A message from the Principal

Dear parents,

Happy New Year! I hope this message finds you well and that your holidays were filled with joy and warmth.

We are excited to kick off the year 2023 with a range of activities for our students at Early Years Foundation Stage (EYFS) and Year1.

Here are some of the activities that we have for the month of January, A trip to fun Point was done as an outdoor learning activities to promote physical development and exploration of the environment. Art and craft activities to encourage creativity and imagination.

A handwriting competition for students which gave focus on basic skills such as letter formation, spacing between words, and consistency in size and shape. The competition was held within the classroom.

This activity is a fun and engaging way that encourage young students to take pride in their handwriting and to develop the skills they will need to be successful writers in the future.

Our planned activities for February include; Healthy Food Week which will increase children's awareness on the benefits of healthy food and how they contribute to our overall health and wellbeing, Sports Day and physical activities to promote fitness and teamwork, making 3D shapes project in Math and Recycling project in Science.

We look forward to working with our students and parents to make this a memorable and productive month. As always, please do not hesitate to contact us if you have any questions or concerns.

Events @ SIPS

Purple day!

The EYFS section had an amazing day that celebrates the colour purple!

Purple day assembly

The EYFS celebrated purple day. It is a day when students can bring anything of purple colour and learn about the things that are purple in the world, as well as gather around and talk about their favourite things in different shades of purple. The teachers had a lot of fun on this day too! They dressed up and prepared wonderful purple activities!

A Trip to fun point!

Trips are designed to expand the environment of EYFS children. Fun point had great facilities and activities for children of all ages, it was a place where children could express themselves physically and explore their abilities further with their class and teachers

Star of the week

Every week our little stars shine brighter than before! Their hardships are acknowledged and celebrated. This motivates and inspires all of our little stars at school!

Handwriting competition

Handwriting is a skill that we perfect over the years. However, we like to start practising in FS and Year 1. The excitement of our students could not be contained, they competed with friendliness and ambition. In the end, our little writers excelled within our expectations!
