Message from the Principal

Dear parents,

I hope this message finds you well! Hello Spring! It is so wonderful to spend these events during such a beautiful time of the year. Spring is about growth, blossoming and love, it also applies to our EYFS section.

This March we had events that were so heart-warming, loving and kind. We celebrated a fun Haq Al Lillah that comes before the Holy month of Ramadan. During the night of Haq al Lila, children shared sweets and fun with each other. As usual, we celebrated the colour White this month which perfectly aligns with spring and the purity of the season. Another exciting event was World Book Day! We strive to educate our lovely children through activities, to promote fun learning, and events like these help us accomplish our goals. Books motivate the students to explore, learn and try new things whilst improving reading and speaking skills. The teachers joined in on the fun and we all got to wear different character costumes! The best event has been saved for the last which was Mother's Day, a beautiful celebration in honour of all the mothers that work really hard every day to raise children full of hope, love and ambitions. The mothers who are trying their best deserved our great performance from the EYFS section.

I wish you all a wonderful upcoming spring. We cannot wait to share with you more events we will have.

If you have any questions, do not hesitate to ask!

LANA KOYI

School Principal

Events at SIPS

Haq Al Laila

The annual event, which means 'For this Night', is celebrated on the night of Shaaban 15, during the month that precedes Ramadan. This event represents the act of giving, kindness and being grateful for what you have. The EYFS section has created an environment where children learnt the importance of giving and sharing. There was a lot of love and sweets!

White day

At the EYFS section, we often celebrate each colour, it promotes learning and cognitive skills. Everything around us has colour, teachers especially create activities that engage interactive skills with colour recognition. It is so much fun and promotes communication.

World Book Day!

The magic world of books is where we can go on amazing adventures with our favourite characters! At EYFS it is not too early to start reading books and that is what we aspire to do! We want our children to exponentially develop their skills in reading, speaking and more! One of the fun ways to experience books is to be one of the characters!

Mother's day

A very special celebration! Mothers are the biggest part of our lives. Mothers are parents, teachers, supervisors and our principal, they deserve to know the love that our children have for them. A lot of wonderful things were prepared for Mother's Day to share and show the love we have for mothers everywhere! Children especially enjoyed sharing their feelings with all mothers at school!

Upcoming events!

- **Green day**
- **Trips**
- **International picnic day**
- **SIPS got talent**
- **Orange day**
- **Goodbye party**
