FROM THE PRINCIPAL'S DESK

As we warmly welcome everyone into the second term of the academic year, I would like to extend my heartfelt wishes to all our staff, parents, and students for a happy and healthy New Year. I hope the year ahead brings continued success, wellbeing, and growth to our entire school community.

We had a very busy and exciting month filled with meaningful learning experiences and memorable events with Green Day standing out as a key event, where students across the school proudly wore green outfits. Green Day, held across the school in connection with sustainability. Students actively participated and proudly harvested vegetables from our sustainability garden, reinforcing the importance of environmental responsibility.

We also celebrated Isra and Mi'raj with beautiful performances across the school, and marked Arabic Week, during which each section presented a special assembly showcasing cultural appreciation and learning.

A major highlight of the term was hosting nearly 20 universities during our Career Fair. This event provided students with valuable guidance in choosing their future pathways. We were also pleased to sign agreements with several universities to offer scholarships and arrange work experience opportunities. Students had the chance to engage directly with experts, ask questions, and explore their options in depth.

Our staff continued to demonstrate strong professional commitment by participating in multiple workshops, particularly those focused on using data to better accommodate students' needs and enhance overall performance. In addition, we attended the Aim Higher programme in partnership with SPEA, with the goal of working on a collaborative project with universities.

Parent meetings were another great success, allowing families to gain a clear understanding of their children's progress and performance. To promote wellbeing, we also enjoyed a friendly football match between students and teachers, fostering positive relationships and a healthy school culture.

Various educational trips took place across all sections. Our EYFS students explored plant growth through a hands-on field visit, while both EYFS and Primary students enjoyed a picnic day where parents joined us, strengthening our home-school partnership. In addition, the school is currently working on a special programme for Emirati students, aimed at enhancing both wellbeing and academic excellence. A dedicated committee has been established, consisting of Emirati parents and members of the Student Council. The Student Council led a recent meeting, during which the Senior Leadership Team highlighted the importance of supporting the wellbeing and academic success of all students, with a particular focus on Emirati children. Students were also delighted to receive the good news about the newly renovated library, and members of the Student Council actively supported the project by helping to label and organise the books. We also held our first meeting with the Board of Governors, consisting of members of the Parent Council, during which a range of important issues were discussed with the trustees.

Thank you to our dedicated staff, supportive parents, and enthusiastic students for making this month so successful. I look forward to another productive and inspiring month ahead.

Regards,
Lana Koyi

ASSESSMENTS

A New Approach to Learning: Term 2 Assessment Update

This term, we are embracing a more fluid and integrated approach to tracking student success. To honor the unique pace of the **Holy Month of Ramadan** and account for the shorter academic calendar, we have made the decision to move away from a traditional, high-stakes final exam.

Instead of a single "Summative Assessment," Term 2 will focus on the journey of learning. By capturing progress in real-time, we aim to create a more supportive environment that celebrates consistent effort rather than just a final score.

How We'll Measure Growth:

Student achievement will be woven from various threads of daily classroom life, providing a holistic view of their development:

- Quizzes: Frequent, bite-sized check-ins to ensure concepts are clicking as we go.
- Projects: Opportunities for students to dive deep into topics through hands-on assignments.
- Active Engagement: Valuing the questions asked, the discussions shared, and the energy brought to every lesson.
- Reflective Work: Celebrating the quality and consistency found within their daily notebooks and classwork.

Our goal is to reduce student stress during this sacred time, ensuring that every child feels seen and supported.

We believe this shift offers a more authentic reflection of their true potential and keeps the focus where it belongs: on continuous curiosity and growth.

EYFS SECTION & YEAR 1

FS1 Green Day Event

As part of our learning about colors and the environment, FS1 students celebrated Green Day with great excitement. The children wore green outfits and took part in interactive activities that encouraged curiosity about nature, plants, and environmental care. This special day supported their learning while promoting awareness, teamwork, and fun.

EYFS SECTION & YEAR 1

Learning and Fun on Picnic Day – FS1

FS1 students had a wonderful Picnic Day at the park, combining outdoor play with a relaxing picnic experience. The children engaged in active play, explored nature, and enjoyed their meals together, promoting physical development, social interaction, and a love for outdoor learning. The day was filled with happiness, teamwork, and excitement.

EYFS SECTION & YEAR 1

Our FS1 Sports Day was a wonderful experience for the children. They enjoyed lively warm-up exercises and dances before the torch was lit to begin the event. The day continued with exciting games that encouraged physical development, cooperation, and fun.

EYFS SECTION & YEAR 1

FS2 Green Day Event

Our FS2 learners celebrated Green Mufti Day by promoting environmental awareness and sustainability. Through their "Best Out of Waste" projects, learners showcased creativity using recyclable materials while learning the importance of Reduce, Reuse, and Recycle. A meaningful day dedicated to keeping our environment green for a better future.

EYFS SECTION & YEAR 1

FS2- Green Day

EYFS SECTION & YEAR 1

FS2 Picnic Day

Our Picnic Day was a joyful celebration of healthy eating, with FS2 learners and parents coming together for a fun-filled day at the park. Learners enjoyed engaging games and activities while sharing healthy foods choices and learning the importance of eating nutritious meals for a lively and active lifestyle.

EYFS SECTION & YEAR 1

FS2- Picnic Day

EYFS SECTION & YEAR 1

FS2- Picnic Day

EYFS SECTION & YEAR 1

FS2 Sports Day Event

What an exciting day filled with laughter, teamwork, and lots of energy! Our FS2 learners had an amazing time taking part in the ball relay, sack race, obstacle course, and the much-loved tug of war. The smiles, cheers, and enthusiasm showed just how much the children enjoyed every moment. A truly fun-filled Sports Day to remember.

EYFS SECTION & YEAR 1

FS2-Sports Day

EYFS SECTION & YEAR 1

FS2-Sports Day

EYFS SECTION & YEAR 1

Year 1 Green Day Event

Year 1 students enthusiastically participated in Green Mufti Day by wearing green outfits and creating Best out of Waste projects. Through hands-on activities, they learned the importance of caring for the environment and practicing Reduce, Reuse, and Recycle in an engaging and enjoyable way.

EYFS SECTION & YEAR1

EYFS SECTION & YEAR 1

Year 1 Picnic Day

Year 1 students had a fun and memorable Picnic Day at Al Nouf Park. They enjoyed playing a variety of games, sharing food, and spending quality time together outdoors. It was a joyful day filled with laughter, teamwork, and happy memories.

EYFS SECTION & YEAR 1

EYFS SECTION & YEAR 1

Year 1 Sports Day

Year 1 enjoyed a fun and energetic Sports Day, taking part in a variety of activities that promoted fitness, teamwork, and friendly competition. The children showed great enthusiasm, supported one another, and created lots of happy, memorable moments.

EYFS SECTION & YEAR 1

PRIMARY SECTION

Eco-Heroes of SIPS

Green Mufti Day was celebrated on January 8. It is a special event focused on sustainability and caring for the environment. Students came to school wearing green and earth-friendly outfits to show their support for protecting our planet. The day was filled with excitement as children learned simple ways to reduce waste, save energy, and make eco-friendly choices in their daily lives.

One of the highlights of the day was the recycled creation gallery, where many students brought amazing inventions made from recycled materials. From bottle pen holder to cardboard decors and creative art pieces, the children showed great imagination and innovation.

We are very proud of our young eco-heroes for taking small but meaningful steps towards a greener future. Together, we are growing responsible global citizens who care for the Earth!

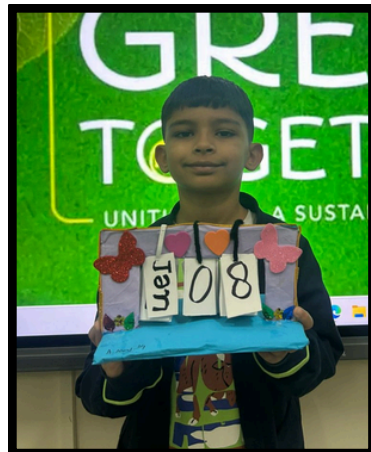

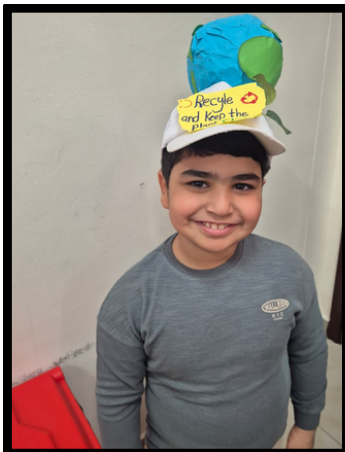

PRIMARY SECTION

Eco-Heroes of SIPS

Big ideas start small!
These amazing, recycled creations show our student's creativity and imagination, turning simple materials into something innovative and meaningful.

It takes a team to build great ideas! With wonderful support from home and guidance from teachers, these students proudly created an eco-friendly project from scratch.

These recycled innovations remind us that young learners can make a big difference when they care for the planet.

PRIMARY SECTION

Healthy Week: Building Strong Bodies and Happy Minds

Healthy Week was celebrated from January 12 to January 15, a fun and meaningful event that encouraged students to make healthy choices every day. Throughout the week, children were motivated to bring nutritious food to school and learn about the importance of caring for their bodies through balanced eating and active living.

The week was filled with exciting activities that helped students understand that being healthy is not only about what we eat, but also about staying active, having fun, and developing positive habits. Through engaging events and shared experiences, our learners took important steps toward building a healthier lifestyle that will benefit them now and in the future.

PRIMARY SECTION

Healthy Week: Building Strong Bodies and Happy Minds

During our park picnic, students enjoyed nutritious meals and learned the importance of fueling their bodies with healthy food.

Our picnic day highlighted the importance of exercise as students enjoyed outdoor games and physical activities in a fun and energetic environment.

PRIMARY SECTION- Bounce Into Fun!

From January 26 to 29, students from Year 2, Year 3, and Year 5 enjoyed an exciting trip to Bounce, where they experienced learning beyond the classroom in an active and enjoyable way. The visit gave children the opportunity to explore the space freely, try new activities, and challenge themselves in a safe and supervised environment.

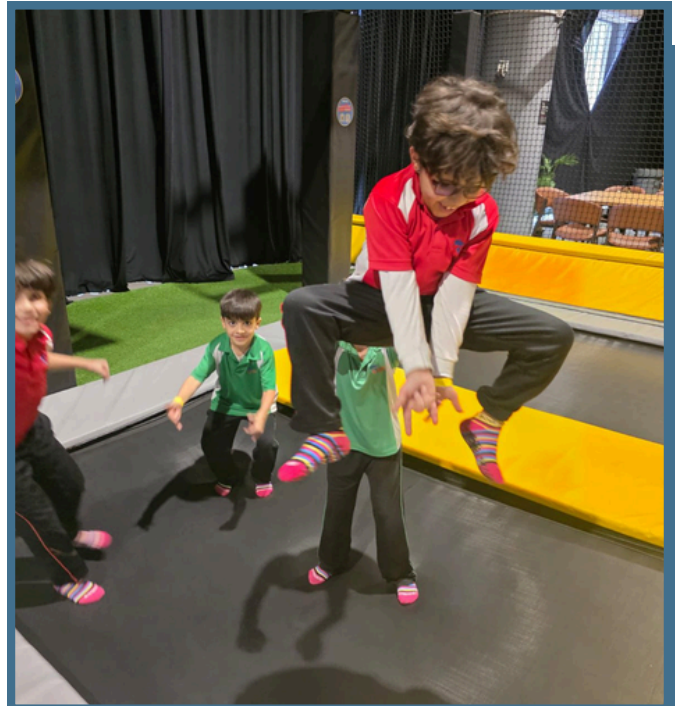

As students moved, jumped, and played, they developed important physical skills such as balance, coordination, and body control. They also built confidence, independence, and resilience by stepping out of their comfort zones and trying new activities. Most importantly, the trip allowed students to relax, have fun, and create positive memories with their friends.

This outdoor learning experience reminded everyone that learning can be active, joyful, and full of discovery.

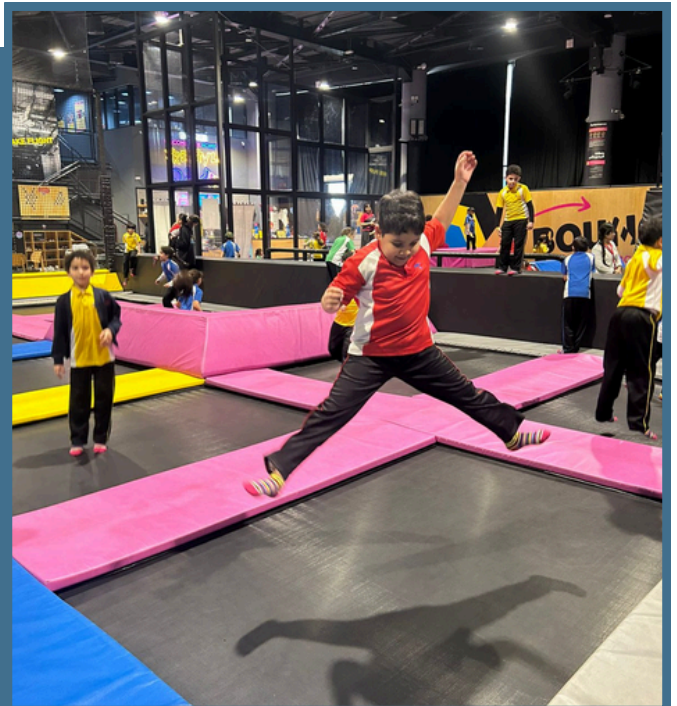

PRIMARY SECTION- Bounce Into Fun!

Our students showing their confidence and excitement as they jumped and posed in the air.

Splashing into this ball pool brought our young learners laughter, excitement, and joyful moments.

SECONDARY SECTION

ENGLISH DEPARTMENT

MESSAGE FROM THE HOD: MS UZMA BEGUM

As we move through the second term, we thank our parents for their continued partnership and support. The winter term is a key period for consolidation and preparation, and we look forward to working closely with you to support students' academic and personal growth.

With the Holy Month of Ramadan approaching, we encourage families to help students maintain balanced routines that support both spiritual reflection and academic focus.

Academic & Enrichment Highlights

Preparation is underway for the GL Progress Tests (Years 7–10) and IGCSE examinations (Year 11), with an emphasis on regular reading, revision, and active classroom engagement.

We are pleased to introduce our new speaking programme, **“Voices for Tomorrow: Students in Action for a Sustainable World,”** which develops oracy skills through sustainability-focused research and presentations. Our **IELTS Ambassador Programme** continues to empower student leaders, while the **Book Donation Drive** has received an encouraging response. Preparations are also underway for the Graduation Booklet, celebrating our graduating students. We are excited to launch the **SIPS Blog** and the inaugural SIPS Podcast, featuring a conversation with our Principal, Ms Lana, strengthening school–community connections.

We would like to acknowledge the dedication of our teaching team. **Ms Ruby and Mr Tamer** continue to provide consistent support to our Pre-IG students, while Ms Olfat, Ms Gladies, and Mr Riad have made a positive impact in Years 7 and 8 by building strong connections within the school community. We also appreciate Mr Ahmed's encouragement of student confidence and speaking skills. We thank all our teachers for their professionalism, commitment, and collaborative efforts in supporting students' learning and well-being.

On behalf of the English Department, I would like to extend a big thank you to the members of the SLT and the Principal Ms Lana for their on-going support.

MS UZMA BEGUM, HOD ENGLISH

ENGLISH DEPARTMENT

MESSAGE FROM THE HOD: MS UZMA BEGUM

Books reused. Knowledge renewed. Our Book Donation Drive

A big thank you to Omar Hani for his generous contribution to our Book Donation Drive, supporting sustainability by giving books a second life and inspiring a culture of sharing.

Our IELTS Ambassadors Programme

Our IELTS Ambassadors received their welcome packs from British Council: They liaise between the school and the British Council and guide our students.

SECONDARY SECTION

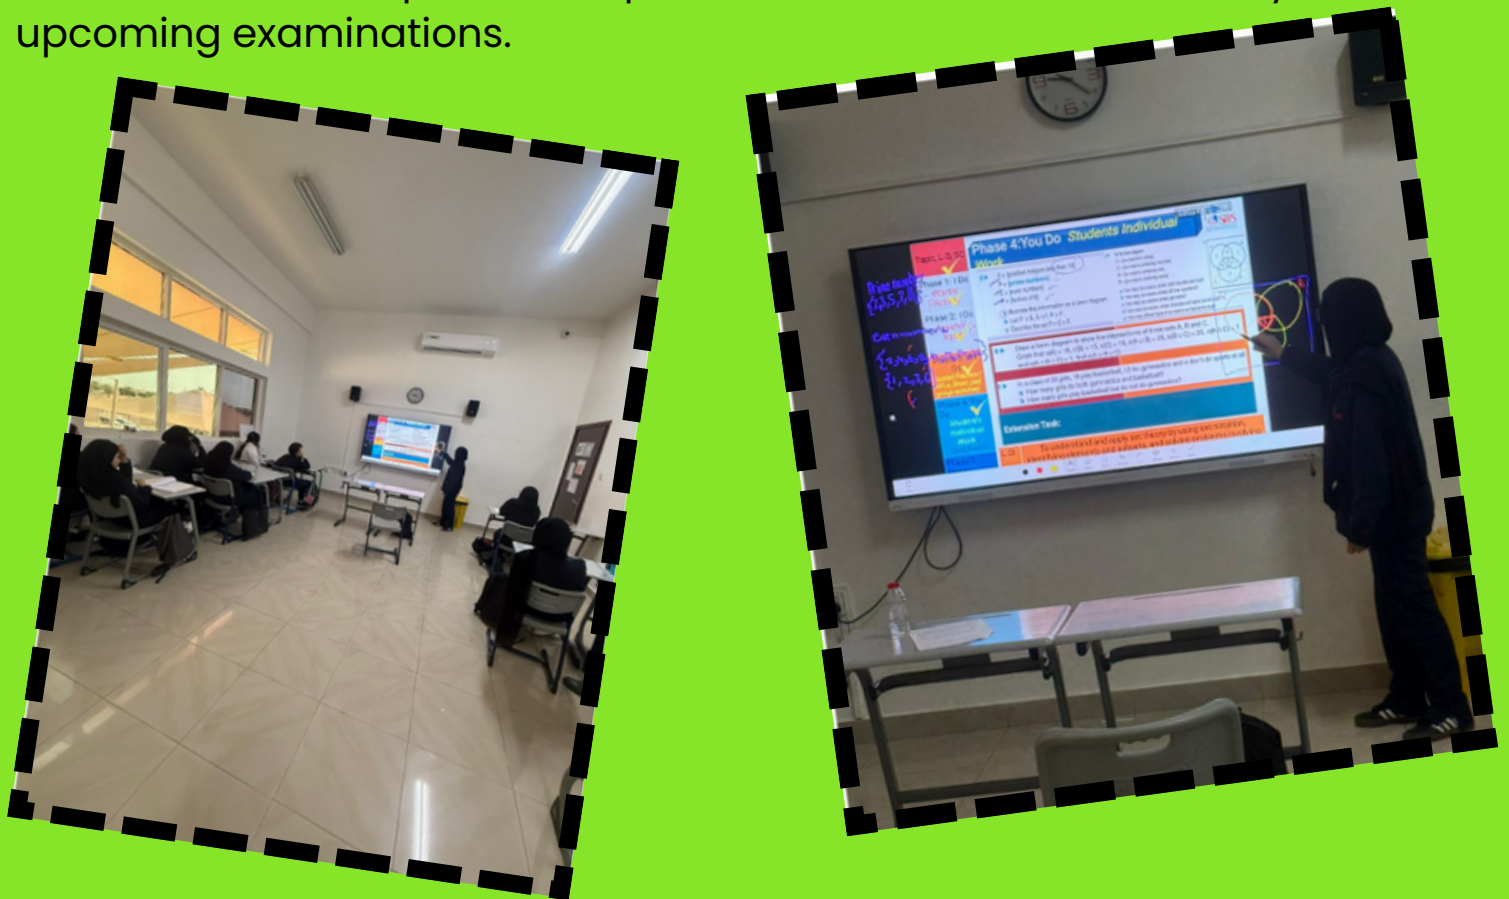

Year 7 students diving into robotics—using Arduino kits to design, build, and test interactive circuits while creating digital schematics in Tinkercad.

Year 8 students developing their Python skills—practising selection structures and translating pseudocode into working programs.

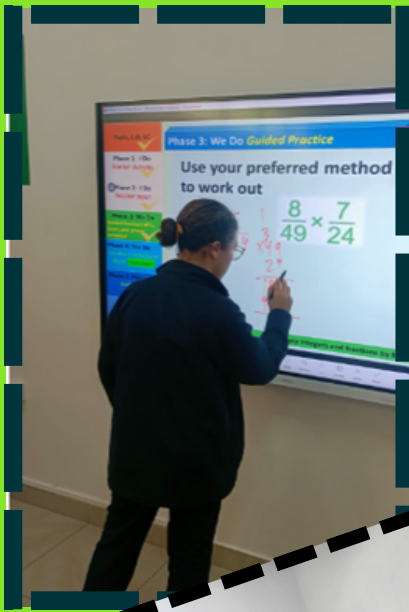

DEPARTMENT OF MATHEMATICS

The Mathematics Department has made a positive and energetic start to Term 2. Over the past four weeks, students have been actively engaged in their learning, building on key skills and concepts. They are now ready to complete their first assessment of the term, which will help teachers understand each student's progress and provide the right support to help them continue to improve.

The Mathematics Department is offering additional support classes for students, with a focus on exam preparation, key concepts, and effective exam techniques. These sessions are designed to build confidence and help students perform to the best of their ability in upcoming examinations.

DEPARTMENT OF MATHEMATICS

DEPARTMENT OF SCIENCE (YEAR 7-9)

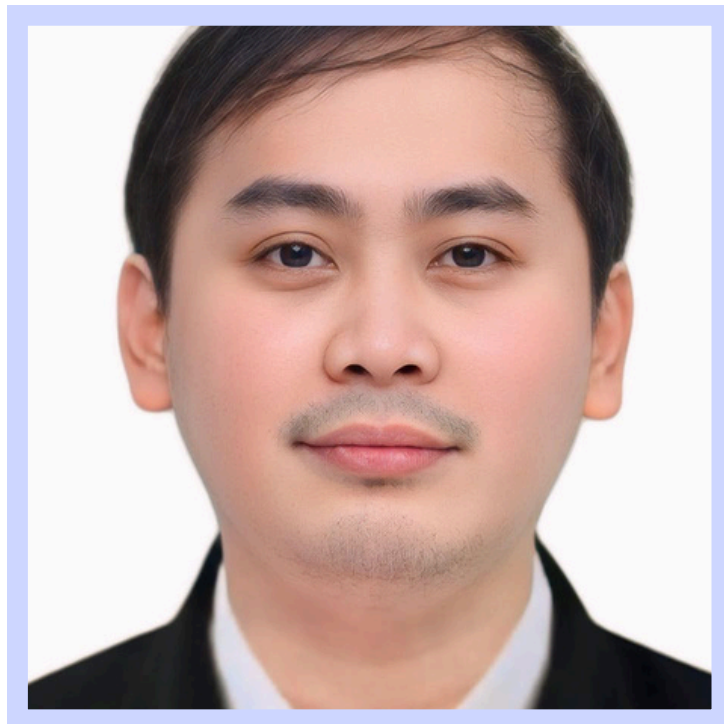

MESSAGE FROM THE COORDINATOR: MR. JOVE BORJA MOGOL

Term 1 of the academic year 2025-2026 is such an amazing science learning span. Our students were involved in various activities that developed their scientific skills.

This term, the Science Department will continue to focus on developing strong scientific understanding, critical thinking skills, and practical inquiry through experiments, projects, and collaborative learning. Students are encouraged to remain curious, ask questions, and actively participate in both theoretical and practical activities.

Through the collaborative efforts of our effective and efficient science teachers, we will deliver a more productive term where students will maximize their potential in every aspect.

We are looking forward to produce students who can apply their learning not only in the four corners of the room but also in real life.

"The important thing is not to stop questioning. Curiosity has its own reason for existing."

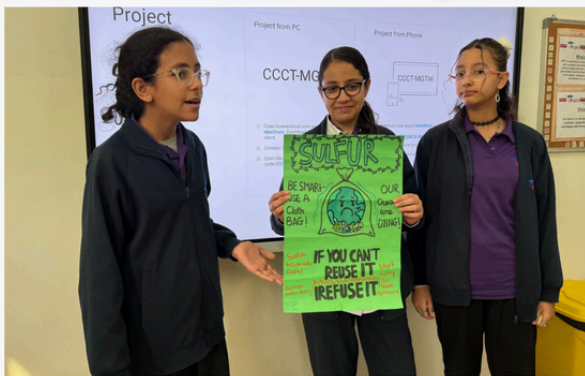

DEPARTMENT OF SCIENCE (YEAR 7-9)

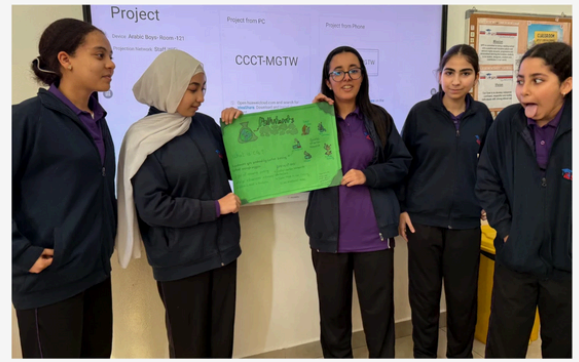

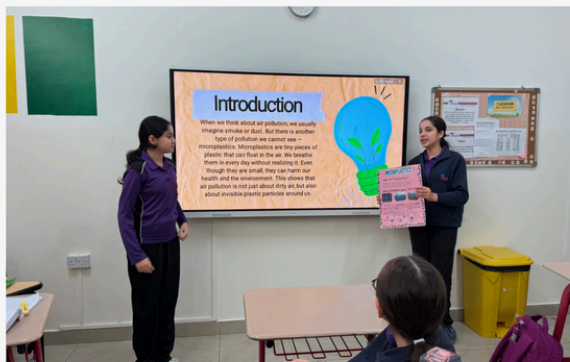

Our interactive and informative bulletin board! New updates every week. Challenge questions are also posted!

BE AWARE!
GIVE CARE

Our students are young environmentalists!

They are advocates for change!

DEPARTMENT OF SCIENCE (YEAR 7-9)

We “LAB” learning!

*SIPS is a haven of young discoverers and scientists.
Through our fun laboratory activities the students are
learning the proper experimentation procedure and how
to record data accurately!*

DEPARTMENT OF SCIENCE (YEAR 7-9)

STUDENT SCI-CORNER

"The lab has taught me many wonderful things, experiments, research, chemicals, and so much more! Here, I will be sharing my favorite laboratory experience."

My favorite lab experience is when we were using Litmus paper to identify acids, neutral, and alkali, It was facsinating, seeing red litmus turn blue for alkali, blue turning red for acids and colors staying the same for neutral.

I was so intrigued by the experiment, science really has a special place in my heart. That experiment really helped my understanding in the topic, and I hope we could do similar experiments more often."

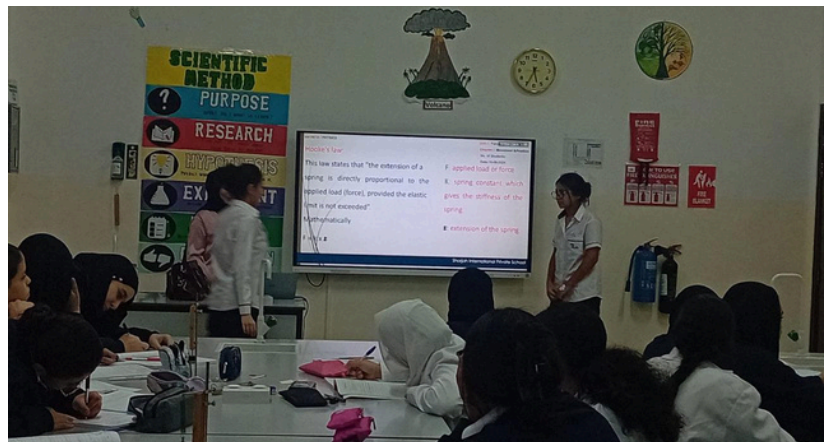

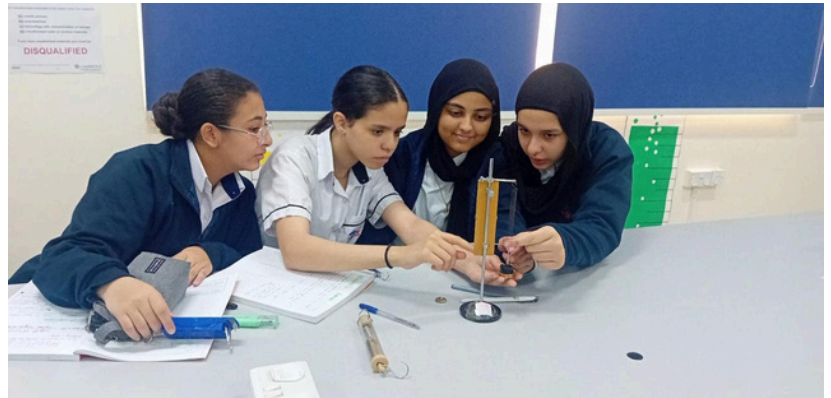

KENDA - YEAR 7G

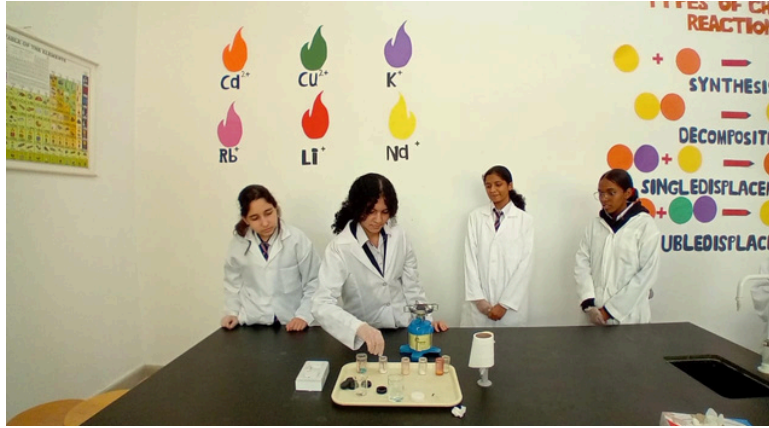

Hand symbol for the environment commonly feature human hands cupping protecting the Earth, symbolizing sustainability, care and ecological stewardship. Our girls showing support in this advocacy in protecting our mother Earth in this simple but kind gesture.

DEPARTMENT OF SCIENCE (YEAR 10-13)

Our Year 10 Science students enthusiastically engaged in hands-on experiments, applying theoretical knowledge to real-life scientific investigations. Through practical work, collaboration, and observation, students strengthened their analytical skills, scientific understanding, and confidence in the laboratory.

DEPARTMENT OF SCIENCE (YEAR 10-13)

BBakers, observations, and breakthroughs—students take charge of their learning by actively performing experiments that spark curiosity, encourage meaningful inquiry, and deepen scientific thinking, as they explore concepts through hands-on investigation and real-world application.

SUSTAINABILITY DEPARTMENT

Secondary students engaged in hands-on learning as they harvested crops from the school garden, understanding the importance of sustainability and responsibility.

SUSTAINABILITY DEPARTMENT

Our students participated in the EEG Plantation Campaign, joining hands to plant trees and contribute to a greener UAE. A wonderful day of learning, teamwork, and caring for the environment!

SIPS Student Support HUB in Action

The SIPS Student Support HUB continues to be a space where students learn, grow, and support one another—both inside and beyond the classroom

DEPARTMENT OF PHYSICAL EDUCATION

Pastoral Care Department

“New year, new term, and new beginnings—our Pastoral Assembly set a positive tone for growth, wellbeing, and fresh starts.”

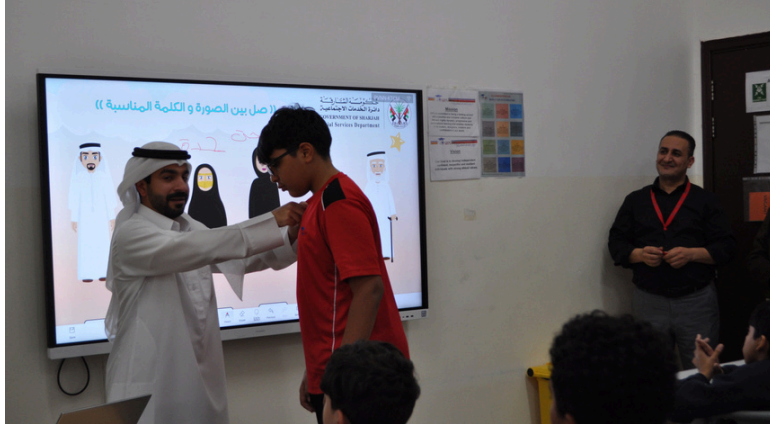

PASTORAL CARE DEPARTMENT

An Emotional Regulation & Wellbeing session was conducted for our primary students to help them understand their different feelings, thoughts, and actions, and how they are all connected

PASTORAL CARE DEPARTMENT

A Drug Awareness and Child Rights Awareness session was organized for our secondary students by the Child Protection Department

PASTORAL CARE DEPARTMENT

An awareness session was conducted for teachers on the identification of SEN and Gifted & Talented students, focusing on effective interventions and accommodation plans

PASTORAL CARE DEPARTMENT

We participated in an event organized by SPEA and the Early Intervention Centre, Sharjah, to raise awareness about inclusion among kindergarten and primary students.

Exploring Future Careers – Career Fair 2025–2026

Organised by SIPS, the Career Fair 2025–2026 is a comprehensive guidance platform designed to support students in making informed decisions about their future academic and career pathways.

PASTORAL CARE DEPARTMENT

The event featured participation from over 20 reputed universities across the UAE, offering students direct exposure to a wide range of undergraduate programmes, admission requirements, scholarships, and career prospects. University representatives were available to provide first-hand information, answer queries, and offer personalised guidance.

PASTORAL CARE DEPARTMENT

Student Voices

"I got the chance to gain valuable insight into the university application process and understand it really well."-Adhan Almasharawi (Year 13A)

"The session was really helpful as I learned how to apply, which documents are required, and the specific requirements for different universities and programmes."-Khaled Mouhammad (Year 13A)

"It was really nice to learn about future steps, scholarships, and internship opportunities."-Joudy Morad (Year 12 B)

"It helped me in navigating the application process for higher education."-Lamis Magdi (Year 12B)

PASTORAL CARE DEPARTMENT

A key highlight of the fair is the active participation of both students and parents, encouraging meaningful discussions and informed decision-making. Parents will have the opportunity to engage with university delegates, understand evolving career trends, and gain clarity on higher education pathways, ensuring a collaborative approach to student planning.

Innovation Projects

As part of the Computing curriculum, students took part in an entrepreneurship-focused innovation project designed to develop creative thinking and business awareness.

During the project, students identified real-life problems and designed digital solutions with potential commercial value. They explored how technology can be used to create products and services that meet user needs, while also considering basic entrepreneurial concepts such as target audience, functionality, and practicality.

Students worked on ideas such as digital applications, online platforms, and technology-based services. Through this process, they learned how innovation, creativity, and problem-solving play a key role in entrepreneurship.

The project helped students develop important skills including initiative, teamwork, decision-making, and communication. It also encouraged them to think like young entrepreneurs by transforming ideas into viable solutions.

This activity supported students' understanding of how computing and entrepreneurship work together, preparing them for future studies and careers in business and technology.

MOE SECTION - CCDI

Innovation Projects

Students worked on a wide range of ideas, including:

- Digital tools aimed at improving productivity, education, or sustainability
- Creative computing projects integrating design, functionality, and user experience

MOE SECTION - Integration

CCDI With Maths

ضمن إطار التكامل بين المواد الدراسية، تم تنفيذ مشروع تطبيقي يجمع بين مادة الرياضيات والحوسبة والتصميم الابتكاري، يهدف إلى ربط المفاهيم النظرية بالتطبيق العملي في الحياة الواقعية.

اعتمد المشروع على استخدام حساس الموجات فوق الصوتية (Ultrasonic Sensor) لقياس المسافة على أرض الواقع. حيث قام الطلاب بتطبيق المفاهيم الرياضية المتعلقة بحساب المسافة والسرعة والزمن، وربطها بالبرمجة من خلال كتابة تعليمات برمجية لقراءة بيانات الحساس وتحويلها إلى قيم رقمية دقيقة.

كما شارك الطلاب في تصميم نموذج مبتكر يوضح آلية عمل الحساس واستخدامه في قياس المسافات، مما عزز لديهم مهارات التفكير الإبداعي وحل المشكلات. ساهم هذا المشروع في تنمية مهارات التحليل، والعمل الجماعي، وربط الرياضيات بالتقنية والتطبيقات الهندسية الحديثة. يُعد هذا المشروع مثالاً عملياً ناجحاً على التكامل بين المواد الدراسية، ودوره في تعزيز الفهم العميق وتنمية مهارات القرن الحادي والعشرين لدى الطلاب.

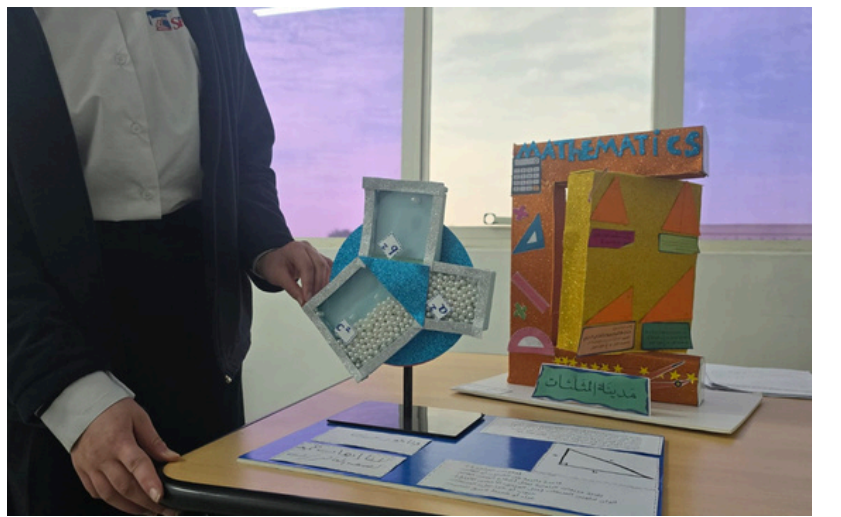

MOE SECTION - Projects

مشاريع مادة الرياضيات

تُعد مشاريع مادة الرياضيات من الوسائل التعليمية المهمة التي تساعد الطلاب على فهم المفاهيم الرياضية بشكل أعمق وأكثر ارتباطًا بالحياة اليومية. فهي تنقل الطالب من التعلم النظري إلى التطبيق العملي، مما يعزز التفكير المنطقي وحل المشكلات.

تسهم هذه المشاريع في تنمية مهارات البحث، والعمل الجماعي، واتخاذ القرار، كما تشجع الطلاب على الإبداع والابتكار وربط الرياضيات بالمواد الأخرى مثل الحوسبة والعلوم. ومن خلال المشاريع، يدرك الطالب أن الرياضيات ليست مجرد أرقام وقوانين، بل أداة أساسية لفهم العالم من حولنا.

MOE SECTION - Projects

مشاريع مادة اللغة العربية

التعلّم عن طريق المشاريع أسلوب تعليمي يساعد المتعلّم على تنمية مهارات التفكير النقدي وحلّ المشكلات من خلال العمل على مهام واقعية، كما أنه يعزّز روح التعاون والاستقلالية ويجعل عملية التعلّم أكثر متعة وفاعلية.

تكریم الفائزات في مسابقة الكتابة الإبداعية

في أجواء يسودها الإبداع والتميز، تم تكريم الطالبات الفائزات في مسابقة الكتابة الإبداعية، تقديرًا لمواهبهن الأدبية وقدرتهن على التعبير بأسلوب مميز وهادف.

هدفت المسابقة إلى تنمية مهارات الكتابة، وتشجيع الطالبات على إطلاق العنان لأفكارهن الإبداعية، وصقل قدراتهن في التعبير اللغوي. وقد أظهرت المشاركات مستوى عاليًا من الإبداع والخيال والالتزام بمعايير الكتابة الأدبية.

ويأتي هذا التكريم دعمًا للطالبات المتميزات وتحفيزًا لهن على الاستمرار في تطوير مهارتهن، وترسيخًا لأهمية الأنشطة الثقافية في بناء شخصية الطالبة وتعزيز ثققتها بنفسها.

كل التوفيق لطالباتنا المبدعات، مع تمنياتنا بمزيد من الإنجازات والنجاحات

مستقبلاً 🌸

فعاليات أسبوع اللغة العربية

انطلاقاً من حبنا للغتنا العربية، وإيماننا بأنها وعاء هويتنا، وجسر تواصلنا مع تاريخنا وحضارتنا، احتفينا في مدرستنا بأسبوع اللغة العربية؛ لنعبّر عن اعتزازنا بهذه اللغة العريقة، ودورها الكبير في بناء فكرنا، وتعزيز انتمائنا الوطني والثقافي. ويأتي هذا الأسبوع ليمنحنا فرصة حقيقية لتنمية مهارتنا اللغوية بأساليب ممتعة ومبتكرة، من خلال مجموعة متنوعة من الأنشطة التعليمية والتفاعلية والإبداعية كل يوم خلال الإذاعة الصباحية وعلى مدار اليوم الدراسي، تلك التي تجمع بين أصالة اللغة العربية وروح العصر، وتُشجّعنا على التعلّم النشط، واستخدام التقنيات الحديثة، والإبداع في التعبير، ومن أبرز الفعاليات تدريس زملائي من السنوات الثانية عشرة والثالثة عشرة للبراعم الصغار؛ لنعيش اللغة العربية لا كمادة دراسية فحسب، بل كهوية نفتخر بها، ولغة نفخر بإتقانها

طلبة السنة الثانية عشرة والثالثة عشرة يشرحون اللغة العربية والتربية الإسلامية لبراعم الشارقة الدولية

فعاليات على مدار الأسبوع من جميع الطلبة بالمرشح المدرسي

مَعًا نَقْرَأُ: أُسْرَتِي وَ مَكْتَبَةِ الْمَدْرَسَةِ

تُنَفَّذُ فَعَالِيَّةُ «إِفْرَأْ مَعَ أُسْرَتِي فِي مَكْتَبَةِ الْمَدْرَسَةِ» فِي إِطَارِ تَعْزِيزِ الشَّرَاكَةِ بَيْنِ الْمَدْرَسَةِ وَالْأُسْرَةِ، وَتَهْدَفُ إِلَى تَنْمِيَةِ عَادَةِ الْقِرَاءَةِ لَدَى الطَّلَبَةِ فِي بِيئَةِ تَعْلَمٍ دَاعِمَةٍ وَمُحَفِّزَةٍ، حَيْثُ يَشَارِكُ الطَّلَبَةُ بِرَفَقَةِ أَوْلِيَاءِ أُمُورِهِمْ فِي جُلُوسَاتِ قِرَاءَةٍ مَشْتَرَكَةٍ لِقِصَصٍ مُخْتَارَةٍ تَنْتَاسِبُ مَعَ مَسْتَوِيَّاتِهِمُ الْعُمُومِيَّةِ، يَتَخَلَّلُهَا حَوَاطِرٌ قِرَائِيٌّ بَسِيطٌ وَأَنْشِطَةٌ تَفَاعُلِيَّةٌ خَفِيفَةٌ تُسَهِّمُ فِي تَعْزِيزِ الْفَهْمِ الْقِرَائِيِّ وَالطَّلَاقَةِ اللُّغَوِيَّةِ، كَمَا تُسَهِّمُ الْفَعَالِيَّةُ فِي تَرْسِيخِ قِيَمَةِ الْقِرَاءَةِ بِوَصْفِهَا مِمَّا يَمَارَسُهُ أُسْرَتِيَّةٌ مُمْتَعَةٌ، وَتَدْعُمُ التَّوَاصُلَ الْإِيجَابِيَّ بَيْنَ الْبَيْتِ وَالْمَدْرَسَةِ، بِمَا يَنْعَكِسُ إِجْبَابًا عَلَى تَحْصِيلِ الطَّلَبَةِ وَدَافِعِيَّتِهِمْ نَحْوَ التَّعَلُّمِ.

هَذَا التَّعَاوُنُ الْبَنَاءُ بَيْنَ الْمَدْرَسَةِ وَالْأُسْرَةِ، يَحَقِّقُ هَدَفَ الْمَدْرَسَةِ فِي تَرْسِيخِ الْقِيَمِ الْأُسْرِيَّةِ وَالْمَجْتَمَعِيَّةِ وَتَعْزِيزِ الرُّوَابِطِ بَيْنَ الْبَيْتِ وَالْمَدْرَسَةِ، وَتَأْكِيدَ أَنَّ الْقِرَاءَةَ لَيْسَتْ مَجْرَدَ نَشَاطٍ فَرْدِيٍّ، بَلْ تَجْرِبَةٌ تَرْبَوِيَّةٌ شَامِلَةٌ تَدْعُمُ التَّطَوُّرَ الْأَكَادِيمِيَّ وَالْوُجْدَانِيَّ لِلطَّلَبَةِ، وَتَنْمِيَّ فِيهِمْ حُبَّ الْمَعْرِفَةِ وَالِاطِّلَاعِ الْمُسْتَمِرِّ. كَمَا تُسَهِّمُ هَذِهِ الْفَعَالِيَّةُ فِي جَعْلِ الْمَكْتَبَةِ مَرْكَزًا لِلتَّعَلُّمِ الْمَشْتَرَكِ وَالِابْتِكَارِ الْفِكْرِيِّ، حَيْثُ يَشْعُرُ الطَّالِبُ بِأَنَّ التَّعَلَّمَ تَجْرِبَةٌ مُمْتَعَةٌ وَمُتَكَامِلَةٌ تَجْمَعُ بَيْنَ الْعَقْلِ وَالْقَلْبِ، وَتَعَدُّ رَكِيزَةً قَوِيَّةً لِبَنَاءِ شَخْصِيَّةٍ مُتَوَازِنَةٍ وَوَعَايَةٍ اجْتِمَاعِيَّةٍ.

مشاركة مدرسة الشارقة الدولية الخاصة في المؤتمر الدولي الثامن بالمركز التربوي للغة العربية لدول الخليج

شاركت الأستاذة نهى النجار ببحثٍ علميٍّ مُحكَّم موسومٍ بعنوان:
أثر الدمج بين الذكاء البشري والذكاء الاصطناعي في التحليل الأدبي على طلبة
المدارس الأجنبية- نحو قراءة نقدية رقمية متجددة
وقد كان البحث من أفضل الأبحاث التي قدمت، لما تميّز به من أصالة علمية،
ومنهجية بحثية رصينة، وتطبيقات تربوية عملية.
وقد كان للبحث أثرٌ إيجابيٌّ واضح في فعاليات المؤتمر، إذ أسهم في إثراء النقاشات
العلمية حول توظيف الذكاء الاصطناعي في تعليم اللغة العربية، وربط التحليل الأدبي
بالتقنيات الحديثة، بما يعزّز مهارات التفكير النقدي لدى الطلبة
كما أشادت لجنة التحكيم بجودة البحث، ودقة أدواته، ووضوح نتائجه، مؤكدةً أهميته
في دعم التوجّهات التربوية المعاصرة، وإمكانية الاستفادة منه في تطوير الممارسات
التعليمية داخل الصفوف الدراسية.
ويأتي هذا الإنجاز تأكيدًا لدور الأستاذة نهى النجار في الإسهام الفاعل في البحث
العلمي التربوي، وتعزيز مكانة المدرسة في المحافل الأكاديمية، ودعم الابتكار في
تعليم اللغة العربية.
